Directors' Report

Your Directors present their Thirty-eighth Annual Report together with the audited accounts for the year ended 31st March, 2022.

Financial Highlights

₹ in lakh

Particulars	Current Year	Previous Year
Income from operations	1407.96	1699.69
Other income	228.80	334.11
	1636.76	2033.80
Profit before tax	539.58	765.74
Tax Expense		
Current Tax	120.50	140.00
Deferred Tax	(31.67)	58.61
Net Profit after tax	450.75	567.13
Other Comprehensive Income/ (Loss) for the year (net of tax)	(0.04)	0.61
Total Comprehensive Income	450.71	567.74

Performance

The company posted a total income of ₹ 1636.76 lakh as against ₹ 2033.80 lakh in the previous year. The profit after tax was ₹ 450.75 lakh against ₹ 567.13 lakh in the previous year. The steep fall in the total income was on account of Covid 19 pandemic and intermittent lockdowns during the year. Many companies were badly affected which resulted in huge reduction in advertising budgets. This has resulted in lower revenues as a result of which the profits after tax is lower during the year at ₹ 450.75 as compared to ₹ 567.13 lakh last year.

Dividend

The Board has recommended dividend of 50% i.e. ₹ 1 per fully paid up equity share of ₹ 2 each of the Company for the year ended 31st March, 2022. The dividend, if approved by the members shall amount to ₹ 234.83 lakh.

Unclaimed Dividend Transfer to Investors Education and Protection Fund (IEPF)

Pursuant to the provisions of Section 124 of the Act, Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 read with the relevant circulars and amendments thereto ('IEPF Rules'), the amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund (IEPF), constituted by the Central Government. The Company had, accordingly, transferred ₹ 14,94,108/- being the unpaid and unclaimed dividend amount pertaining to the Final Dividend for the Financial Year 2013-2014 on 6th October 2021.

Notices were sent to concerned Members having unpaid / unclaimed dividend before transfer of such dividend(s) to IEPF. Details of the unpaid / unclaimed dividend are uploaded under "Investor Information=> Unclaimed Dividend" section on the

Company's investor information website viz. www.pressmanadvertising.in

In terms of the provisions of Section 124(6) of the Companies Act, 2013 and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Amendment Rules, 2017, the Company is required to transfer the shares in respect of which dividend remains unpaid and unclaimed for a period of seven consecutive years to the Investor Education and Protection Fund (IEPF) Suspense Account. Accordingly, 71290 equity shares have been transferred to IEPF during the year on 10th November, 2021 after giving individual notices to concerned shareholders and advertisements in newspapers.

The Future - Proposed merger with Signpost India Ltd

As you may be aware, on 14th February 2022, your company and its promoters have entered into definitive Memorandum of Understanding with Signpost India Ltd (Signpost) and its promoters to join hands and pool the resources of two companies to create a larger entity which will be mutually beneficial to all the stakeholders.

It is proposed to merge the two companies to create a larger and stronger entity, subject to statutory approvals. This will help pool in the experience, expertise, resources and client base of two companies; offer a large bouquet of services in the area of advertising and promotion with focus on digital media and emerging technologies.

- The media spends are now rapidly shifting from traditional advertising to new platforms in digital space and therefore the combined entity with its innovative offerings shall be well placed to grow at a rapid pace.
- This alliance will enable rapid growth with a larger offering and the combined strength of the two entities and significantly enhance shareholders' value.
- Status of Merger:

The merger process has started and the company has appointed Registered Valuer, Merchant Bankers and Legal Advisors. The Scheme and the swap ratio will be decided in terms of the report of the Registered Valuer. It is expected that barring unforeseen circumstances the merger process will be completed by the end of the current financial year

Management Discussion and Analysis Report

Industry Structure and Development, Opportunities and Threats

The economic impact of Covid 19 has been harsh on the service sector. The advertising industry too saw a sharp decline in revenue owing to the pandemic. As is well known, India's GDP contraction has been one of the highest in the world. Advertising spends are directly linked to GDP and the pandemic resulted in steep shrinkage in advertising spends.

With Covid pandemic receding, the demand is coming back; some geographies and businesses are beginning to see a steady recovery but there is no denying the fact that advertising revenues have been severely impacted by the pandemic. We hope that we do not see fresh waves of the pandemic and the business soon returns to normal and takes a growth path thereafter.

In the changed situation, the digital economy and e-commerce categories have seen strong tailwinds. The pandemic has changed customer behaviour very dramatically. For example, it has underscored the need for personal mobility which in turn has triggered a strong demand in the automotive industry.

The advertising industry will, very quickly, need to understand the impact of this change and realise the opportunities that the new era will usher in. Many traditional touch points have vanished and new ones have emerged. Reinventing communication planning across this new customer path will be one of the biggest challenges and agencies who adopt the same will succeed in the years to come.

Clients have aggressively shifted their spends to digital, tech, data, e-com and OOH media. It was therefore imperative for your company to seriously look at expanding its bouquet of services. These will ensure developing new sources of revenue in the areas of digital, tech, data and product innovations. The pandemic has underscored the need for a transition, and as an industry, this transition will decide the course of our growth path. The challenge is to adopt change rapidly.

Another big learning is that the pandemic has reminded us the need to re-look at our cost structures. We need to build flexibility and rationalise our cost structures. It is not easy since a major part of our costs are manpower related expenses. So, there is a need to figure out new ways of working and different organisation structures. 'Work from home' has shown us the power of technology which leads to making geography redundant, increasing productivity and being more efficient. All of this will need to be analysed and quickly implemented to more efficient organisation structures, which till now were built largely around the geographical spread. We cannot remain in a situation where on one side, our costs are committed for the long term, and on the other, our revenues remain unpredictable.

While it is crucial that we make up for the loss in revenue, it is also important to ensure that we are prepared for the realities of the "new normal". Innovation and agility will be the key in keeping pace with the changes.

The Future Outlook

In keeping with the challenges of change, your Company was looking at ways to take advantage of the emerging situation. In this context, the Company's decision to merge with Signpost India Private Limited could not have come at a better time. This will not only ensure that your company is on a fast-track growth path, but also add tremendous value to your investment in the Company.

Business Overview

The company's business has four major segments - Advertising, Public Relations, Design and Digital. The business is carried out through its offices located in Kolkata, Mumbai, Delhi and Bangalore.

As you are aware, Pressman Advertising Ltd (Pressman) along with its Promoters have signed a definitive Memorandum of Understanding with Signpost India Ltd (Signpost) and its Promoters to join hands and pool their resources to create a larger entity which will be mutually beneficial to all the stakeholders.

Signpost and Pressman propose to merge the two companies to create a larger and stronger entity, subject to statutory, regulatory and other approvals including relevant third-party consents. This will help pool in the experience, expertise, resources and client base of the two companies; offer a larger bouquet of services in the areas of advertising and promotion with focus on digital media and emerging technologies. It will result in streamlining of operations and cost efficiency and the new additions to the existing revenue segments are expected to result in accelerated business growth.

The merger of the two companies, which are both in advertising is a perfect fit and is a win-win situation for shareholders of both the companies. It is proposed that the effective date of merger shall be 1st April, 2022.

Performance Overview

The Company posted revenue of ₹ 1636.76 lakh and Profit before tax of ₹ 539.58 lakh during the year. Business revenues are derived from a mix of advertising, public relations, design and digital services. Going forward, once the integration of your company with Signpost India Limited is completed on receiving the various statutory approvals, there is likely to be exponential increase in the revenues and profits of the company.

Independent Auditor's Certificate on Corporate Governance

To The Members of Pressman Advertising Limited

1. We, Mookherjee Biswas & Pathak, Chartered Accountants, the Statutory Auditors of Pressman Advertising Limited ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31st March 2022, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") as amended.

Management's Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the SEBI Listing Regulations.

Auditor's Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India ("the ICAI"), the Standards on Auditing specified under Section 143(10)

of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI Listing Regulations during the year ended 31st March 2022.
8. We state that such compliances is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Independent Auditor's Report

To The Members of Pressman Advertising Limited

Report on Audit of financial statements

Opinion

We have audited the accompanying financial statements of **Pressman Advertising Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date and a summary of the significant accounting policies and other explanatory information (herein after referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, the profit and total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key Audit Matters	Auditor's Response
<p>Impact of COVID-19 pandemic on Going Concern</p> <p>The Company has assessed the impact of COVID-19 on its revenue and cash flow aspects.</p> <p>Management's assessment of the Company's ability of having sufficient funds available for its operations are important considerations for the going concern assumption. As such, these are significant aspects of our audit and we determined this is a key audit matter.</p> <p>Refer Note no 2.1(e) "Estimation related to COVID-19" of the financial statements</p>	<p>We have evaluated management's assessment of the Company's ability to continue as a going concern, relying on the sources of liquidity and funding available to the Company. We have discussed with management to obtain an understanding on the business plans and financing requirements and obtained written representations from management and those charged with governance, regarding their plans for future actions and the feasibility of these plans.</p> <p>We have obtained and evaluated the forecasts prepared by management for the next 12 months from the date of the financial statements and assessed the reasonableness of the key assumptions used by checking against the Company's business plan and historical performance.</p>
<p>Revenue</p> <p>Revenue from sale of services is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at fair value of the consideration received or receivable.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> ● Assessment of the appropriateness of the revenue recognition accounting policies by comparing with applicable accounting standards. ● Testing the design, implementation and operating effectiveness of management's general and key application controls which govern revenue recognition, interfaces between different systems to assess the completeness of the revenue entries being recorded in the general ledger accounting system. ● Inspection, on a sample basis, key customer contracts to identify terms and conditions relating to services rendered and rebates and assessing the Company's revenue recognition policies with reference to the requirements of the applicable accounting standards.

Key Audit Matters	Auditor's Response
	<ul style="list-style-type: none"> Performing cut-off testing for samples of revenue transactions recorded before and after the financial year end date by comparing with relevant underlying documentation to assess whether the revenue was recognized in the correct period.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any

significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder.
 - e) On the basis of the written representations received from the directors as on 31st March, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to its directors during the year under section 197 read with Schedule V to the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigations having impact on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contract for which there were any foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), contain any material misstatement.
 - v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend. As stated in note 26 to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- ix. (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) Since the Company does not have any subsidiary, joint venture or associate companies, raising of funds to meet any obligations towards them does not arise. Hence reporting on clause 3(ix)(e) of the Order is not applicable.
- (f) The Company does not have any subsidiary, joint venture or associate companies and has not raised any loan from such entities during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt

instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) According to the information and explanations received, no whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. The provisions of clause 3(xii) are not applicable and hence not commented upon.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv.(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.
- xvi.(a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b), (c) and (d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected

dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. However, there is a proposal of merger of the company with a company named Signpost India Ltd. Till date the scheme has not been submitted. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. (a) In respect of other than ongoing projects, the Company has no unspent funds towards Corporate Social Responsibility (CSR) required to be transferred to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(b) The Company does not have any ongoing projects on CSR. Hence, this clause is not applicable.

Annexure 'B' to the Independent Auditor's Report

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Pressman Advertising Limited** ("the Company") as of 31st March, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the

Company's internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements for the year ended 31st March, 2022

1. CORPORATE INFORMATION

The Company is engaged in advertising, selling of space for advertisement in print media and public relations business. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on three recognized stock exchanges in India. The registered office of the Company is located at Pressman House, 10A, Lee Road, Kolkata, West Bengal 700020.

2.1 BASIS OF PREPARATION

(a) Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, as amended from time to time.

The Board of Directors approved the financial statements for the year ended 31st March, 2022 and authorised for issue on 5th May, 2022

(b) Functional and presentation Currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts are rounded to nearest Lakh, unless otherwise indicated.

(c) Basis of measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All assets and liabilities are classified into current and non-current generally based on the criteria of realisation/settlement within a twelve month period from the balance sheet date.

(d) Critical accounting estimates and judgments

In the application of the Company's accounting policies, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgments are:

Estimation of useful life of Property, Plant and Equipment
Estimation of employee benefit obligations
Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(e) Estimation of uncertainties relating to the global health pandemic from COVID-19 and its impact on going concern:

Business during the year was extremely difficult on account of substantial reduction in spends by clients across all segments on account of the Covid-19 pandemic. The lockdowns announced by the Government resulted in unprecedented challenges for our business. The Company met the challenges by suitably empowering its people and transitioning to a cloud-based delivery model. Hence, in spite of a sizeable decline in the top line, the company has been able to post marginally higher profit during the year through significant cost reduction and a strong focus on high margin assignments.

Business had started looking up during the year under review, but the second and third wave of Covid-19 put the brakes once again. However, with the pandemic coming slowly under control, enquiries have started flowing in and the company expects to benefit from these opportunities.

It is difficult to predict the future, as the present situation does not have any precedents. The views expressed by experts and analysts are only speculative as no one is sure of how the future will evolve. There is unanimity in the fact that this will be a long haul and therefore it is important for us to get tuned to the changed situation and ready for the challenges to come.

Despite the fact that there will be a very major hit in the company's business, the company has sufficient liquidity and is well positioned to take care of the future liabilities. The present surplus funds available are in excess of Rs 42 crore and a major part of the investments are in debt instruments and are liquid. The investment portfolio has been restructured to ensure that there are minimum chances of default or diminution in the value of investments. Moreover the company has no debts or any other long term liabilities.

In view of the unprecedented situation, the company has taken several steps to ensure cost reduction; at the same time ensuring that there is no dilution in the quality of service rendered to the clients. Till date, there have been no relief extended to the industry by the central or state government and hence the plans have been drawn up considering zero support from the government. The following steps have been taken:

- Rationalization of manpower
- Restructuring of staff costs
- Saving of day to day expenses at our offices
- Negotiating with all vendors and service providers, viz Registrars, Equipment Manufacturers for AMC, Auditors, etc to reduce costs/fees

Having reviewed the underlying data and based on current estimates the Company expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. Considering the discussions above, the Company expects to maintain the status of Going Concern. The Company will continue to closely monitor any material changes to future economic conditions.

(f) Recent Accounting Developments

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements. Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does

not expect the amendment to have any significant impact in its financial statements. The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

2.2 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, Plant and Equipment

Property, plant and equipment are stated at original cost net of tax / duly credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognises the replaced part, and recognises the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria is satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Capital work-in-progress includes cost of property, plant and equipment under installation / development as at the balance sheet date.

Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from financial statement, either on disposal or retired from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

The assets' residual values, useful life and methods of depreciation are reviewed at each financial year and adjusted prospectively, if appropriate. Depreciation on written down value method on the property, plant and equipment is provided over the useful life of assets as specified in Schedule II to the Companies Act, 2013. Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition/deletion.

The Company has taken rates of depreciation based on the following useful life:

Asset Classification	Useful life estimated by the management (in years)
Furniture and Fixture	10
Office Equipment	5
Computers	3
Air Conditioners	10
Electrical Installations	10
Projectors	13
Vehicles	8

(b) Impairment

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

An assessment is made at each reporting date whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased.

(c) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Income from Services:

Revenue from advertising, public relations and allied services are recognized when the services are rendered and the same becomes chargeable. GST and other statutory dues are collected on behalf of the government and are excluded from revenue.

Interest and Dividend Income:

Interest income is recognised using the effective interest method. Dividend income is recognised when the right to receive payment is established.

(d) Financial Instruments:**Financial Assets**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss, (FVTPL), its transaction costs are recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their

recognition, except if and in the period the Company changes its business model for managing financial assets.

Trade Receivables:

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument. In case receivables are considered doubtful and non-recoverable, the same are written-off as bad debts in the accounts.

Debt instruments:

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Measured at amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate (EIR) method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

Measured at fair value through profit or loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at

FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Derecognition:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Asset:

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

Financial Liabilities:

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

(e) Retirement and Other Employee Benefits

(i) Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet

date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to a reduction in future payment or a cash refund.

- (ii) Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation under projected unit credit method made at the end of each financial year.
- (iii) Short term compensated absences are provided for based on management estimates.
- (iv) Actuarial gains / losses are immediately taken to Statement of Profit and Loss and are not deferred.

(f) Income Tax

Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax, is so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(g) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(h) Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to

settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

(i) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(j) Contingent Assets

Contingent assets are not recognised in financial statements since this may result in recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

(k) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Total		-	421.25	421.25	421.25

b) Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Inputs are not based on observable market data (unobservable inputs). Fair value is determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data

c) Valuation techniques and key inputs:

Level 1: The value of mutual funds and quoted equity shares is based on quoted price.

Level 2: At present the Company has no such financial assets or financial liabilities which are required to measure by this level of hierarchy.

Level 3: Investments in equity instruments, cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

34) FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The Company's principal financial liabilities comprise of trade and other payables only. The main purpose of these financial liabilities is to finance the Company's operations.
